Dear Supervisors:

ADOPTED

BOARD OF SUPERVISORS COUNTY OF LOS ANGELES

52

May 15, 2012

SACHI A. HAMAI EXECUTIVE OFFICER

AWARD OF CONTRACT FOR
TOPANGA CANYON BEACH BUS SERVICE IN THE UNINCORPORATED COUNTY
COMMUNITY OF TOPANGA CANYON
(SUPERVISORIAL DISTRICT 3)
(3 VOTES)

SUBJECT

This action is to award a contract to provide Summer Beach Bus Service to the unincorporated community of Topanga Canyon.

IT IS RECOMMENDED THAT YOUR BOARD:

- 1. Find that the contract work is statutorily exempt from the provisions of the California Environmental Quality Act.
- 2. Award the contract to Transit Systems Unlimited, Inc., for the Topanga Canyon Beach Bus Service in the sum of \$164,244 for a three-year term, which includes \$5,000 annually for vehicle parking fees and graphics for the contractor-provided service vehicles in accordance with the contract to Transit Systems Unlimited, Inc. This contract will be for a period of three years commencing on June 1, 2012, or execution by both parties, whichever occurs last, with four 1-year renewal options at an annual contract sum of \$54,748, which includes \$5,000 annually for vehicle parking fees and graphics for the contractor-provided service vehicles in accordance with the contract and a month-to-month extension up to six months for a maximum potential total contract term of 90 months with a potential maximum contract sum of \$410,610.
- 3. Authorize the Director of Public Works or her designee to increase the contract amount up to an additional 10 percent of the contract sum for the initial three-year term and to annually increase the

contract amount up to an additional 10 percent of the annual contract sum for renewal option years for unforeseen, additional work within the scope of the contract, if required.

4. Authorize the Director of Public Works or her designee to execute the contract; to renew the contract for each additional renewal option if, in the opinion of the Director of Public Works or her designee, Transit Systems Unlimited, Inc., has successfully performed during the previous contract period and the service is still required; to approve and execute amendments to incorporate necessary changes within the scope of work; and to suspend work if, in the opinion of the Director of Public Works or her designee, it is in the best interest of the County of Los Angeles to do so.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to award a contract to continue to provide transportation service from the unincorporated community of Topanga Canyon to Santa Monica Beach. The Department of Public Works (Public Works) has contracted for this service since 1981.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provision of Operational Effectiveness (Goal 1) and Community and Municipal Services (Goal 3). The contractor who has the specialized expertise to provide this service accurately, efficiently, timely, and in a responsive manner will support Public Works in meeting these goals.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund.

The contract sum is \$164,244 for a three-year term and \$54,748 annually for renewal options, if exercised by the County, plus an additional 10 percent of the contract sum for unforeseen, additional work within the scope of the contract. This amount is based on Public Works' estimated annual requirements for the service at the daily rates quoted by the contractor and includes an additional \$5,000 per year for vehicle parking fees and graphics for the contractor-provided service vehicles, if necessary, in accordance with the contract.

Public Works successfully negotiated with the contractor to reduce their daily rate from \$408.75 to \$400 for an estimated annual savings of \$879.38 without adding extension years or reducing service.

The necessary funds are available in the Third Supervisorial District's Proposition A Local Return Transit Program and included in the Fiscal Year 2011-12 Transit Enterprise Fund Budget and in the recommended Fiscal Year 2012-13 Transit Enterprise Fund Budget. Funds to finance the contract's option years, including 10 percent additional funding for contingencies, will be requested through the annual budget process.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The recommended contractor is Transit Systems Unlimited, Inc., located in Sun Valley, California. This contract will commence on June 1, 2012, or execution by both parties, whichever occurs last, for a period of three years. With your Board's delegated authority, the Director of Public Works (Director) or her designee may renew this contract for four 1-year renewal options and a month-to-

The Honorable Board of Supervisors 5/15/2012 Page 3

month extension up to six months for a maximum potential total contract term of 90 months.

The contract will be in the form previously reviewed and approved by County Counsel (Enclosure A). Prior to the Director or her designee executing this contract, the contractor will sign and County Counsel will review it as to form. The recommended contract with Transit Systems Unlimited, Inc., was solicited on an open-competitive basis and is in accordance with applicable Federal, State, and County requirements. The contractor is in compliance with the requirements of the Chief Executive Officer and your Board.

The award of the contract will not result in unauthorized disclosure of confidential information and will be in full compliance with Federal, State, and County regulations. The contract contains terms and conditions supporting your Board's ordinances, policies, and programs including, but not limited to: the County's Greater Avenues for Independence and General Relief Opportunities for Work Programs (GAIN and GROW), Board Policy No. 5.050; Contract Language to Assist in Placement of Displaced County Workers, Board Policy No. 5.110; Reporting of Improper Solicitations, Board Policy No. 5.060; Notice to Contract Employees of Newborn Abandonment Law (Safely Surrendered Baby Law), Board Policy No. 5.135; Contractor Employee Jury Service Program, Los Angeles County Code, Chapter 2.203; Notice to Employees Regarding the Federal Earned Income Credit (Federal Income Tax Law, Internal Revenue Service Notice 1015); Contractor Responsibility and Debarment, Los Angeles County Code, Chapter 2.202; the Los Angeles County's Child Support Compliance Program, Los Angeles County Code, Chapter 2.200; and Defaulted Property Tax Reduction Program Ordinance, Los Angeles County Code, Chapter 2.206; and the standard Board-directed clauses that provide for contract termination or renegotiation.

Data regarding the proposer's minority participation is on file with Public Works. The contractor was selected upon final analysis and consideration without regard to race, creed, gender, or color.

Proof of the required Comprehensive General and Automobile Liability insurance policies, naming the County as additional insured, and evidence of Workers' Compensation insurance will be obtained from the contractor before any work is assigned.

Pursuant to the applicable memorandum of understanding, the Request for Proposals (RFP) for this contracted service was submitted on November 21, 2011, to the appropriate union for review. The union has not asked to meet with Public Works regarding this solicitation.

Public Works has evaluated and determined that the Living Wage Program (Los Angeles County Code, Chapter 2.201) does not apply to this recommended contract, which is for services required on an as-needed and intermittent basis; hence, this contract is not a Proposition A contract (Los Angeles County Code, Chapter 2.121).

This contract does not allow for a cost-of-living adjustment for the optional year.

ENVIRONMENTAL DOCUMENTATION

This service is statutorily exempt from the provisions of the California Environmental Quality Act, pursuant to Section 21080 (b) (10) of the Public Resources Code. This exemption provides for the implementation of passenger or commuter transit services.

The Honorable Board of Supervisors 5/15/2012 Page 4

CONTRACTING PROCESS

On February 7, 2012, Public Works solicited proposals from 115 independent contractors and community business enterprises to accomplish this work. Also, a notice of the RFP was placed on the County's bid website (Enclosure B), and an advertisement was placed in the Los Angeles Times.

On February 29, 2012, two proposals were received. The proposals were first reviewed to ensure they met the minimum requirements in the RFP. The two proposals met the minimum requirements and were then evaluated by an evaluation committee consisting of three Public Works staff. The evaluation was based on criteria detailed in the RFP, which included price, experience, work plan, references, and equipment utilizing the informed averaging methodology for applicable criteria. Based on this evaluation, it is recommended that this contract be awarded to the highest-rated, apparent responsive, responsible, and lowest-cost proposer, Transit Systems Unlimited, Inc.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The award of this contract will not result in the displacement of any County employees as this service is presently contracted with the private sector.

CONCLUSION

Please return one adopted copy of this letter to the Department of Public Works, Administrative Services Division.

Respectfully submitted,

GAIL FARBER
